North East Soirée offer the following musical services for weddings, restaurants, parties and corporate functions.

String Quartet – see www.NewcastleStringQuartet.com

String Quartets are flexible in style and settings where we can play at weddings and corporate functions. We have an extensive repertoire of light classical, popular & jazzy music. The string quartet is generally too quiet to be heard during a large meal so we need to use a small PA system. The sound is affected by the pickups and amplification, so the Background Music Duo or Trio is often more appropriate for a meal.

Background Music – Duo or Trio for Wedding Breakfasts, Corporate entertainment & Restaurants

Two members of the string quartet can change instruments to form a Duo playing light classical or popular music for receptions and meals. There are several options available, for example Violin & Piano or Saxophone & Piano or a Trio with Sax, Piano & Bass for gentle popular background music that is never too loud for general chatting.

Ceilidh Band “The Ceilidh Knights” See: www.ceilidhnortheast.com

This Ceilidh Band is led by a real Ceilidh dancing Scotsman who knows all the steps and is always popular at weddings. The instructions & demonstrations are so simple that anyone can Ceilidh dance even with no prior experience. For a wedding, this band normally starts playing popular music until the 1st dance. We then spring straight into the Ceilidh with full instructions & demonstrations. We can then add DJ or other musicians to form the other bands below.

Jazz/Swing Band with singer if required

This band can be varied in size and line-up to suit requirements and can include a male or female Singer if required. The core of the band is with either one or two Saxes, Piano, Bass and Drums. The style of the band is intended to entertain the broad spectrum of tastes found at weddings and corporate functions. The repertoire is highly varied and can offer swing, 40's big band or very easy going & popular jazz standards.

Function (pop covers) Party Band “Knight Muse” see www.musicnewcastle.co.uk

This band performs classic hits from the 60's to current songs to really get the party going and the dance floor full with both male & female singers, lead guitar, rhythm guitar or keyboards, bass & drums.
